Respected HR Team,

I am submitting here with my resume for your perusal and favorable consideration for the post of **Intern** in your organization.

Review of my credentials indicates that I am currently a third year **B.Tech (Information Technology)** from **National Institute of Technology Karnataka, Surathkal**. Possess rich domain knowledge with comprehensive understanding of **C/C++, Java, HTML, CSS, Javascript, SQL**. Aware of **Python, JQuery, Bootstrap, PHP, Machine Learning**. Worked on projects on Custom-Ubuntu-Software-Centre, Virtual Keyboard using Java, Custom-Ping-Command during the curriculum and also interested in Web and App development.

I am currently a third year undergraduate who has been consistently praised as a proactive by my teachers and peers. While working on academic and extracurricular projects, I have developed proven critical thinking, leadership and problem-solving skills, which I can leverage as an Intern at your company.

The above credentials along with my enclosed resume make me ideally suitable for a position in your organization. I would appreciate an opportunity for a personal interview.

Thanking you in anticipation of a favorable reply.

Yours sincerely

**Vijayvargiya Sagar R.**
